WGRC Action Auction Goal \$125,000

The goal of this year's auction is \$125,000. Major gifts will be awarded to four agencies. This auction allows The **Champaign Rotary Club** to continue its service to the community. Many community agencies benefit from this auction. The four agencies listed below, are the major recipients of this year's auction proceeds. They join nearly forty other agencies which The **Champaign Rotary**, through its charitable foundation **WGRC Inc.**, has assisted over the past three years. The continued ability of the **Champaign Rotary Club** to support these and other community services depends upon the success of this auction. We thank you for your help and allowing us to live our motto of "Service above Self".

Don Moyer Boys and Girls Club

\$33,000

These funds will be used to provide seed money for a teen center. Our community has been without a center specifically designed for teenagers since the mid '70's. The Club will open on Friday nights and Saturdays to serve teens only. The funds will serve to make necessary modifications to the Club's physical plant, provide a teen only space, and seed two years of operations. The Club has many options available for funding existing programs after the initial two year period. The Club expects to serve several hundred teens each weekend and must be able to show progress to be successful in obtaining follow-up funding.

The Children of Marquette School

\$10,000

This school has the largest group of "at risk" preschool children in Champaign. The children range in age from 2 to 5 years old. The program is federally funded, and their facility is provided by Unit 4. The program is in desperate need of a handicap accessible playground. There is no other playground of this type in our community. We have challenged Unit 4 to find a way to fund the acquisition of this special playground equipment and install it at the school. It will be accessible to everyone. Total cost of the project will be approximately \$ 30,000. Our \$10,000 is a challenge which the District heartily accepted.

Center for Women in Transition

\$6,000

The Center operates two facilities and has a yard area between their buildings. The Center serves several hundred needy women and children dealing with multitudes of problems for short periods of time. Their capacity is at a limit. The play area borders on a busy street. We believe the play area should be fenced to provide a safe environment for the children to play. It would also provide needed security.

Habitat for Humanity

\$3,000

Habitat builds housing for needy families and sells them at low prices and finances them interest free. They need a trailer to leave on building sites to store tools and other items securely during construction.

How to look like a Rotary Action Auction Professional

(BRING THIS CATALOG TO THE AUCTION)

SPECIAL INSTRUCTIONS TO MAKE YOUR EVENING MORE ENJOYABLE

Preparing for the auction:

1. This is the catalog for the 1998 Action Auction. As our recently deceased Guy Duker used to say "The difference between Action and Auction is U."
2. Now is the time to form your buying/bidding syndicate. You can combine resources and gain more buying power. **Nice things happen to those who overbid.**
3. Bring extra **CASH** to buy Raffle Tickets and make sure you have your Grand Prize Drawing ticket for that new fully equipped Chevy Blazer from Rogers Chevrolet.
4. Don't forget to bring this catalog with you. It will allow you to follow the auction and help record your bid price.

The evening begins at 5:30 p.m. on Friday, June 12, 1998.

1. Your first stop upon arrival is the reception table. Here you turn-in your ticket, receive your bid number, and find out the location of your reserved table.
2. Your next stop (right next to the reception table) should be to buy Raffle Tickets.
Here's how the raffle works:
 - a. Each raffle item has a box for raffle tickets just for that item. You may place as many raffle tickets in each box as you like.
 - b. There are 20 raffle items. To have a chance at each item you must buy at least 20 tickets (or one per raffle item). Obviously, the more tickets you put in each box, the greater your odds for winning.
 - c. The raffle will take place immediately following the auction. This will give you plenty of time to buy your tickets and decide which raffle items you wish to compete for.
 - d. Any raffle item not having any tickets in its box, will be auctioned to the highest bidder.
 - e. Raffle Tickets Cost:
 - \$ 5.00 for 3 tickets
 - \$10.00 for 7 tickets
 - \$20.00 for 20 tickets
 - f. The Raffle tickets are numbered and come in pairs. You keep one half of the pair (your claim ticket) and put the other half (same number) in the box of your choice. **DO NOT PUT BOTH HALVES IN A BOX OR IN DIFFERENT BOXES. YOUR CLAIM TICKET IDENTIFIES YOU AS THE WINNER.**

3. Now that you're finally inside you can find your table, meet your friends and enjoy the gala surroundings. Don't forget to stuff your raffle tickets in the boxes of your choice. Raffle and Auction items will be on display for your review.
4. Dinner will be served promptly at 6:30 P.M. Enjoy your meal.
5. Please refer to the Rules and Procedures of the Action Auction. You are encouraged to pay for your successful bid (cash, check, Visa or Mastercard) throughout the auction. Of course, you may collect all your winning bids and pay at the end.

After the last auction item--PICK YOUR PRIZE RAFFLE

1. The Raffle boxes will be opened in sequence as listed in the catalog. The winning Raffle ticket will be drawn, and the numbers will be announced. You must present the matching ticket (same number) to win. Yes, someone else (other than the owner) may hold your raffle ticket and claim the item. The winning number will be announced as they are drawn from the individual boxes. Any unclaimed numbers will be announced again once all raffle items have been drawn. At this time, if there is no claim, a second ticket will be drawn. This procedure will continue until a winner is found. It is important to be alert and watch and listen for your number.
2. Cashiers will be prepared to accept payment for auction items throughout the evening. You must pay before departure in the True Rotary Spirit. You are requested to remove physical items that evening or make arrangements with Greg Cozad for delivery.

"The Grand Prize Drawing"

the last item of business

We will close the evening with "The Grand Prize Drawing". Some lucky person will ride away with a brand new, fully loaded **Chevy Blazer** from Rogers Chevrolet. If you are not the Blazer type, (who isn't?) you may opt for \$20,000 cash. Good luck!!!!

SUMMARY:

Rotary hopes these instructions are useful to you and that you'll enjoy the Action Auction.

This will be a night to remember. Your support of the **Don Moyer Boys and Girls Club, The Children of Marquette School, The Center for Women in Transition, and Habitat for Humanity** will help us have the kind of community and world we all want to live in. Please bid generously.

Jimmy Hoffa would love this concrete. Today you can have color and texture on your porch or patio. Patterned Concrete is the latest. You can have the look you want and durability of poured, in-place concrete. High bidder receives 200 sq. feet of colored/textured concrete installed. Installation is a three-step process. First, the concrete is poured and floated, and a color hardener is applied. Second, the wet concrete is troweled, and Patterned Concrete's exclusive tools and rollers are applied to create the dimensional characteristics of your chosen pattern (based upon availability). This means it can look like flagstone, bricks, or tile in almost any color. Finally, the surface is sealed to facilitate curing and enhance the color. This is great for pool decks, patios and walkways.

MESSAGE FROM THE PRESIDENT

Rotary International President, Glen Kinross, challenged Rotary Clubs throughout the world with this year's theme to "**SHOW ROTARY CARES** for your community, for our world and for its people". Champaign Rotary attempts to "**Make it Happen**", as District Governor Frank Keck's motto prompts, through its service. Most of this service is to our local community.

Every three years, the Champaign Rotary Club and its charitable arm, WGRC, Inc. sponsor an **ACTION AUCTION** to raise funds to benefit our community. This year, the first \$52,000 raised is to benefit selected community agencies. The next \$73,000 will be used to fund service projects yet to be identified by the Champaign Rotary over the next three years.

Under our Past President, Thomas Good's inspired leadership, the Champaign Rotary has been planning this event for over a year. We began by identifying "at risk youth" as those in our community who most needed our help. Our Selection Committee chose four deserving recipient partners: Women in Transition; Habitat for Humanity; The Children of Marquette School; and Don Moyer Boys and Girls Club. Each serves at risk youth in a significant, but different way. We all appreciate the hard work and planning our members put have put forth to make this event happen.

Now, we have a unique opportunity to "Show Rotary Cares" for the at risk youth of our community with our bids. Together, we will make history by achieving the highest community service funding goal in our Club's history. Let's join together to make **ACTION AUCTION 1998** a wonderful success for not only Champaign Rotary Club, but most importantly, for the at risk youth the recipient partner agencies serve.

Thanks to each one of you for the role that you have played and will play as we continue the tradition of community support that is the Champaign Rotary Club, the World's Greatest Rotary Club.

Scott Anderson, Jr.
President
