May 13, 2025

Members present on the call: Chair PDG Joe Miller, Debbie Miller, Jill Pietrusinski, Wayne Gerlock, Robin Dean

Chair Joe Miller called the meeting to order at 7:30 PM.

Joe reported the certification for the water purifier is now rescheduled for June 29 at 1:30 at Grand Towers.

Wayne will work with the COAD to see if he can get the names of who will be attending. Joe suggested we set up a registration on DAC. Jill will update DAC and Robin will communication out to the members.

Alan will take a GO Kit to the Wabash Emergency Manager.

Wayne reports our Disaster Response account in charities is (\$155) in deficit so we need to raise more money to cover.

Wayne stated Freeburg sends \$250 historically at the end of the year. Jill will check with their treasurer. Fairview Heights also has been giving \$1000 at the end of each year as well as Mt. Carmel and Mt. Vernon. Jill will reach out to Fairview Heights and Freeburg. Joe will check with Mt Vernon.

DNA RAG has 2 webinars coming up in the next few weeks, but nothing is on their website.

DAUSA Director Larry Agee has received some grants and will hold a webinar soon to report on the use.

Jill asked about the status of the Disaster Recovery module in DAC and Wayne agrees it probably isn't current.

Next meeting is June 10, 2025, at 7:30 pm

Respectfully submitted,

PDG Jill Pietrusinski
