

The veterans and service dogs are graduating!

Thank you for being part of this journey and making this possible. Because of people like you, we were able to provide EVERYTHING – the service dogs, over a year's worth of training, the 3-week trauma resiliency program, travel expenses and equipment at no cost to our seven veterans. **We truly could not have done it without you – your help will forever change the lives of these veterans. — Thank you!**

Please join us for the pairing ceremony on Friday, April 29 as the veterans are united with their service dogs as a team. The event is sponsored by and held at the [American Legion in Marion](#) at 6:30 p.m. Following the ceremony, "Stateside Outlaws," a blues, classic rock and country band, comprised of veterans, will be performing in honor of our graduates.

The veteran send-off is on Saturday, April 30, sponsored by and held at [Heartland Regional Medical Center](#) at 8:30 a.m. Both ceremonies are free and open to the public.

It is so very meaningful to the veterans to have the community support at this time. We hope you will join us once again to show them your love, pride, support and encouragement by attending.
