

Swansea Rotary Donates Agility Equipment For Swansea Dog Park
Swansea Public Works Department Coordinate Equipment Installation

Swansea, Illinois, December 13, 2023 - In partnership with the Village of Swansea, the [Rotary Club of Swansea](#) invested Club donations to purchase agility equipment for the Swansea Dog Park, located inside Melvin Price Memorial Park (1500 Caseyville Avenue).

“On behalf of our Rotarians, I would like to thank everyone who supports our Rotary programs which enabled this investment in our community to help connect and engage our local dog owners,” said Swansea Rotary Club President Ed Henrichs. “This equipment will keep their four-legged companions engaged in activities that can help prevent obesity, increase endurance, and strengthen bones and joints while exercising the dog’s mind, giving it opportunities to learn and solve problems.”

The Rotary gathered at the Park on Wednesday, November 15 to assist with the installation process and participate in the celebratory ribbon cutting. A special thanks to the Swansea Public Works Department who coordinated the installation of the equipment. Photos of the installation are featured on the Rotary Club’s [website photo gallery](#).

Members of Swansea Rotary meet weekly at the Thompson center in Mel Price Park and guests are always welcome to attend to learn more about the Rotary mission to provide service to others, promote integrity and advance world understanding, goodwill and peace through our fellowship of business, professional and community leaders. For additional information please visit the Swansea Rotary Club website at www.swansearotary.org or email info@swansearotary.org.

About Rotary

Rotary brings together a global network of volunteer leaders dedicated to tackling the world’s most pressing humanitarian challenges. Rotary connects 1.4 million members of more than 46,000 Rotary clubs in over 200 countries and geographical areas. Their work improves lives at both the local and international levels, from helping those in need in their own communities to working toward a polio-free world. For more information, visit Rotary.org.
