

We Need You!

The Violence Prevention Center works to eliminate domestic violence in individual lives and society as a whole. Everyday we are asked to help brave individuals take the first steps to live free from violence. We are able to answer that call thanks to generous individuals like you. With the support of our community we can continue providing emergency shelter, counseling, legal advocacy, and a 24 hour crisis hotline FREE of charge to those dealing with domestic violence.

You can help end domestic violence by partnering with us. We are in need of donations, volunteers, and items from our wish-list.
