A STIGMA FREE FISHERS

The Fishers Rotary Club is championing the collaborative Mental Health Initiative in an effort to raise awareness of the mental health challenges that exist in our community, and ensure that our residents have access to resources that will both prevent crises and help individuals when crises occur. In order to make real strides on this front, we must endeavor to become a stigma free community. The COVID 19 pandemic has only magnified this need greatly.

It's OK to say I'm not OK.
