

Be engaged. Make a difference. Change a life.

The Fishers Rotary Club is hosting its First Annual Golf Outing on Monday **June 22, 2020**, in collaboration with the city of Fishers and HSE schools, with proceeds going to the Mental Health Initiative (<https://stigmafreefishers.com>) in our community. The event will take place at the beautiful Hawthorns Golf and Country Club with a 9:30 shotgun start.

As a valued business in our community, we are asking for your support with a donation of a Raffle Prize. This could be a gift/gift card that will be on display at our event prior to the start of golf. Fishers Rotary Club appreciates your generosity and will provide your company with great exposure to the attendees in two ways. First, your gift will be featured indicating your company name and second, prizes will be listed on a large Board with the winning names drawn during the Raffle.

Would you like to show support in another way? We're offering Sponsorships that range from \$250 up to \$5,000. Perhaps you'd like to play in the event? Please join us! We also accept simple financial donations if that is your preference.

Thank you for assisting us with this endeavor and making a difference in the community. We appreciate any donation you can make to this important cause.

One community working together.

"If a community were to marshal its collective resources
towards the issue of mental illness,
what can we do and what should we do?"

-Scott Fadness
Fishers, Indiana Mayor
