

Wavy Road, Take Me Home  
(Sung to the tune of "Take Me Home, Country Road")

Verse 1

Almost heav'in, on my way home  
Bumpy asphalt  
Should-a went the back way -  
It's real swamp land  
Deeper than the seas  
I think that bridge on Lindberg's  
Sinkin' with a wheeze

Chorus

Wavy road, take me home  
To the place I belong  
West on Lindberg, awful bumpy  
Take me home, wavy road

Verse 2

I remember, when we built her  
Asphalt ribbon, over funky water-  
Boggy swampland, wouldn't go away  
I think my right rear hubcap  
Just rolled in the bay

Repeat Chorus
