## PROGRAM:

DICK RAHDERT conducted a Club Assembly by introducing members to papers on the table which contained two topics for discussion. Each table discussed ways to achieve the goal of \$100 per member per year for The Rotary Foundation. The second question asked what the Public Relations Committee should do, and what individual members can do to increase public awareness of what Rotary stands for and what our club does. The discussions continued after PRESIDENT CHRISTA rang the bell to end the meeting. Results of the meeting will be presented at a later date.
