

## WHAT IS ROTARY

Rotary is a global network of community volunteers. Rotary club members are business, professional, and community leaders in your locality who meet regularly to plan and implement community service activities and network with other professionals. For those interested, members can also choose to become involved in international humanitarian service efforts. More than 1.2 million men and women in over 200 countries and geographical areas belong to over 33,000 Rotary clubs.

Rotary builds international understanding through scholarships, exchange programs, and humanitarian grants. Throughout the world, Rotary clubs participate in a broad range of educational, intercultural, and humanitarian activities designed to improve the lives of others.

### ROTARY IS DEDICATED TO:

Six areas of focus to build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

1. Promoting peace
2. Fighting disease
3. Providing clean water, sanitation, & hygiene
4. Saving mothers and children
5. Supporting education
6. Growing local economies

## ROTARY EMBLEM

The emblem consists of outer cogs on a wheel. A key is used to lock the wheel to an axle. Each Rotarian is considered to be a key – an essential if the organization is to run well.

## YOUR PLACE IN ROTARY

As a leader in the business and professional community, you can help Rotary continue to make a difference in Corydon. In return, you will:

- Make new friends/network
- Learn more about the businesses professions in Harrison County
- Be recognized in the community as a Rotarian
- Experience personal growth
- Be warmly welcomed in Rotary Clubs all over the world

## THE FOUR-WAY TEST

Rotarians strive to follow the four-way test in all aspects of their daily lives. High ethical standards are emphasized.

*The test reads:*

Of all the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOOD WILL and BETTER FRIENDSHIPS?

Will it be beneficial to all concerned?
