Introduction

We are pleased you have chosen to join our Rotary club and welcome you as a new member. The Membership Committee will help you integrate into our club and feel welcome.

You are joining a global organization of community volunteers. We have approximately 1.2 million Rotarians organized into over 35,000 clubs throughout more than 200 countries and geographical areas. Rotary International is the world's largest service organization. Our club was founded in 1919. Rotary International was founded in 1905.

We are a medium-sized club with approximately 70 members. We are truly glad you have joined us and we want to get to know you. This document will help acquaint you with some of our activities and customs.

You have been sponsored by a current member of our club. Your sponsor will be your mentor for your first several months.

Rotarians throughout the world are joined together in a common belief in service above self. This belief is set out in several statements that are quoted below.

Rotary Definition

“Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world.”

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST** The development of acquaintance as an opportunity for service;
- SECOND** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian’s occupation as an opportunity to serve society;
- THIRD** The application of the ideal of service in each Rotarian’s personal, business, and community life;
- FOURTH** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary Motto

“Service Above Self”

Rotary Four-Way Test

We have encapsulated our belief and support of ethical behavior in the Rotary Four-Way Test:

“Of the things we think, say or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?”

Rotary Organization

Rotary is organized through three tiers: clubs, districts and international. You are joining the Franklin Rotary Club, one of three clubs in Johnson County.

The primary work of Rotary occurs at the club level. The district and international levels exist to support the clubs, to give us consistency throughout the world, and to help the clubs work together to support the Object of Rotary. Rotary is a non-political and non-religious organization that is welcoming to all who wish to improve their community and the world.

Meetings & Meeting Assignments

When: Meetings are held each Tuesday from 12:00 to 1:00 p.m.

Where: Dietz Center Dining Room on the Franklin College Campus on Forsythe Street, just east of the student center.

Parking: Please do not park in the lot adjacent to the Dietz Center during the school year. Franklin College prefers members to park in the Spurlock or Hamilton Parking lots. (See last page for map)

You are welcome to sit at any table, and are encouraged to sit at different tables each week. For the first few weeks your sponsor will expect to sit with you and to introduce you to your fellow Rotarians at the table. From time to time you may need to leave early. If you must do so, try to sit at the long tables near the exit doors to disrupt the speaker as little as possible. Meetings are for developing fellowship, collegiality and friends. While we recognize that one of your reasons for joining the Franklin Rotary Club is to get to know people; this is a service organization first, not a networking organization. We are joined together in our commitment to service.

You will be notified well in advance if you are assigned to lead the prayer/pledge, vocational moment or schedule a program speaker. Reminders are given in our local newsletter.

A Typical Rotary Meeting:

- 11:45 a.m. **Lunch buffet opens.** Some members arrive a few minutes before this time to network; some members arrive around noon.
- 12:15 p.m. **President brings the group to order by ringing the bell.**
Prayer & Pledge of Allegiance (by tradition, our meetings begin with a prayer or a reflection)
Stock Report (by tradition, one of our investment members shares the local stock updates)
Board Officer Reports give brief committee/project updates.
Happy Dollars & 50/50 Raffle (explained in more detail later)
Vocational Moment (not every meeting) - a Rotarian shares a trend or new development in their vocation or profession. Prepare 1-2 minutes to share.
- 12:30 p.m. **Program Speaker:** you may be assigned to select a program speaker for an upcoming meeting. You will want to select someone or an organization who can enlighten our club about something in our community or region. It's an opportunity to learn what non-profits may be doing in the county or a professional offering his/her expertise on a community topic. Speakers have 30 minutes to present and answer questions regarding their topic. We provide AV equipment. Speakers are invited to have lunch with us and stay a few moments after their presentation to answer additional questions. As a thank you to the speaker, our Rotary Club donates \$25 to a different local charity in the speaker's honor. The charity changes quarterly.
- 1:00 p.m. **Meeting adjourns.** Often, our President will share a short activity at the conclusion of the meeting to get to know our club members better or to engage us in the community.

Attendance

Regular attendance by membership is one of the factors that makes our club successful. We realize that our membership is very busy with work and other civic and personal activities and understand that most members cannot attend every meeting. While attendance is not mandatory, we encourage all members to attend as many meetings as possible (we would like to see you make at least 60% of the meetings). Regular consistent attendance adds to the effectiveness of our club as an organization and allows for the collegiality and public service for which we are known.

As a Rotarian, you will be welcome at any meeting of any Rotary Club any place in the world. Meetings can be “made up” by attending meetings of any other Rotary club.

“Make-up meetings” can also be achieved by your attendance at board meetings, service projects, and your attendance at committee meetings. The Board meets every 2nd Tuesday of the month at 8:00 a.m. at Ann's Restaurant.

You can also make-up meetings by choosing a program to watch or read online at <https://www.rotaryclubone.org/makeups/howtodoamakeup/>. Upon completing your online make-up program, fill out the form on the bottom and click submit. Or you can email the proof of attendance to yourself and forward it via email to secretary Tim Thurston at jtimothythurston@gmail.com. Email Tim when you attend committee meetings, other club meetings or service projects for your make-up meetings.

Cost

Application fee is \$50.

Dues are \$45 per quarter; meals are \$130 per quarter and are charged whether or not you attend. You will be billed \$175 per quarter. We appreciate prompt payment of your invoice.

All members are expected to make annual contributions to the Rotary Foundation.

Get Involved

Start Local and Help your Community!

- Volunteer to help with one of our service projects.
- Get involved with one or more of the programs you learn about through speakers at our club meetings.
- Identify a need in the community and design a hands-on project that addresses it.
- Learn about what other clubs are doing in our county and district and offer to assist them.
- Host a Rotary exchange student visiting our district and learn about another culture.

Committees of the Franklin Rotary Club

Our work is carried out through through several committees. Being involved in a committee is a great way to understand Rotary and become infused in the mission. Here are a few of the committees:

- **Foundation Committee:** works to raise funds within the membership to donate to Rotary International's mission projects, through the Rotary Foundation.
- **Membership Committee:** assists members in proposing new members and works to develop ways to encourage new membership and retention of current members.
- **Community Service Committee:** organizes members in volunteering for community service projects locally.
- **Public Relations Committee:** handles the marketing, advertising and social media updates for the club.
- **New Generations:** works to cultivate the youth in the community in the spirit of Rotary. Interact is Rotary's service club at Franklin Community High School. We also participate in RYLA (Rotary Youth Leadership Awards) and with an essay contest for high school students. Our club has also sponsored local youth studying abroad and hosted exchange-students in Franklin.
- **Scholarship Committee:** this team selects up to four Franklin Community High School students for scholarships each year.
- **Jim Rhoades Hog Roast Committee:** the annual hog roast event is our biggest fundraiser and takes many volunteers to make it a success.
- **District Grant Committee:** oversees one project; our selected district grant project.
- **Bike Ride Committee:** organizes an annual bike ride fundraising event for the Rotary Foundation. Ride usually takes place in May.
- **Centennial Celebration Committee:** Our club turns 100 on June 6, 2019. This committee is planning the events to celebrate our centennial.

Special Meetings

Our club has a few special meetings each year:

- **Johnson County Fair** - we have lunch at the county fair for one meeting each July.
- **Past-Presidents Dinner** - to honor the leadership and dedication, an evening meeting each August (replaces a regular lunch meeting).
- **Off-site Meetings** - at least once a year, we meet at a local Franklin restaurant instead of Dietz Center at Franklin College.
- **Annual Meeting** - Officers and members of the Board of Directors are elected each December.
- **Fifth Tuesdays** - on the 5th Tuesday of any given month, we cancel our lunch meeting and have an after hours social meeting that day.

The Rotary Foundation

The Franklin Rotary Club supports the Rotary International Foundation.

Rotary International Foundation (often referred to as the “RI Foundation,” the “Rotary Foundation,” or the “Foundation”). The Rotary Foundation raises about \$76 million each year from members throughout the world. The funds are spent three years after they are raised on humanitarian projects. Over time you will grow to be familiar with the many good works of the Rotary Foundation. At this time it is sufficient for you to know that whenever we talk about an international project, it is usually Rotary Foundation money, which supports the project.

Our most ambitious project has been a nearly 25 year effort to eradicate polio. Rotarians throughout the world have raised in excess of one-half billion dollars to purchase vaccine and have facilitated vaccinations such that the disease is nearly eliminated.

Every Rotarian Every Year: while your contributions are personal and voluntary, we encourage all Rotarians who are able to do so to contribute at least \$100 per year to the Foundation. The Foundation is a 501(c)3 organization, so your contributions are tax deductible. You may write a check and give it to our Foundation Committee Chair Chase Schletzer at any Rotary meeting, or you may donate online via credit card at: <https://www.rotary.org/en/donate>. Please notify Kurt of your donation if you pay online.

The Rotary Foundation and our club recognize those who have contributed \$1000 as Paul Harris Fellows (PHF). Paul Harris was the founder of Rotary. If you give \$25 per quarter, you will join the ranks of PHF after ten years. Naturally, we hope you will be able to complete your fellowship sooner. If you are giving at the rate of \$100 per year (\$25 per quarter) you will be designated a “Sustaining Member” of the Foundation until you complete your fellowship.

From time to time there are matching funds available to help you reach this goal. Such matching funds will be announced from the podium and/or in our newsletter.

Guests

You are welcome to invite guest(s) to join you at the meeting. Please sign your guest in at the greeter’s table and either pay for your guest’s lunch (\$10) at the time or ask that the charge be added to your bill. You may be asked to introduce your guest. Prospective member guests receive one complimentary meal at no charge, so please let the Treasurer know if you are have a prospective member as a guest.

Proposing New Members

We are always seeking new members who share our value of service. To sponsor a member, complete a Prospective Member Form (available on the dacdb website under the "FILES" tab at the top). Fill it out online and email it to membership chair Tony Burton (tony@burtonsflooringcenter.com) or print it out and give it to Tony at the next Rotary meeting.

Proposed new members names are approved first by the Membership Committee and the Board. Then, the prospect submits an application and pays the \$50 application fee. Their names are published before the club for consideration. This process takes three to four weeks from the time you submit the documentation.

Happy Dollars & 50/50 Raffle

At every meeting, our President & Sergeant-at-Arms will take time to raise some money for our Club's projects by asking for Happy Dollars and through a 50/50 raffle.

Happy Dollars are a voluntary gift of a dollar or more to share some personal or professional good news with your fellow Rotarians. The Sergeant-at-Arms walks throughout the dining room collecting dollars and club members are able to celebrate good news with their colleagues.

If you want to purchase 50/50 raffle tickets, do so at the registration desk before lunch. Tickets cost are: 1 for \$1 or 3 for \$2. A raffle ticket is drawn at random and if your ticket is selected, you will be offered a bag filled with marbles in it. Choose the black marble, and you win! If you choose a green marble, it's "thanks for playing!" If you win the raffle, you'll receive 1/2 of the pot, or you can choose to donate it to the club. If draw a green marble, you can accept \$5 from the club or donate it back to the club.

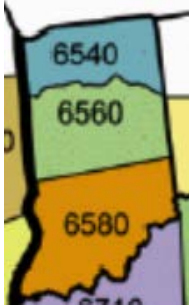

Communications

- **News and Updates:** you will receive a newsletter delivered via email from the club's Secretary or email updates from the club President. Please read them thoroughly, as it contains a lot of club information regarding upcoming service projects and assignments for scheduling a program speaker, leading prayer and pledge and sharing a vocational moment.

- **The *Rotarian*** is the official publication of Rotary International. You will receive it the mail monthly. It contains news and articles of Rotary activities around the world.

District 6580 Conference & Annual Conference

District 6580 covers the southern part of the state, south of I-74 and I-70.

Our district holds a conference each April at a location within our district. All District 6580 Rotarians are invited to attend the conference. We strongly encourage you to attend District Conference, especially during your first year of membership. At District Conference you will learn what all of our clubs are doing together to make the world a better place. It has been said you will not begin to appreciate the power and good work of our movement until you have attended a district conference. Details on the conference will be provided in the spring.

Our club feels the District Conference is so valuable, it often will pay a portion of the registration fees for members who are able to attend. Many times, the district conference is within driving distance and accommodations are unnecessary.

Each year in June, the entire Rotary family is invited to attend the International Convention. Usually around 30,000 attend. This conference alternates being held in an U.S. city and an international city.

Orientation Activities

All Rotarians wear badges at the meetings as a means of introduction. All Rotarians are on a first name basis, so feel free to greet your fellow Rotarian by their first name.

The Membership Committee has designed several things to help you become an active Rotary member.

- You will meet with Eric Fredbeck for an orientation meeting; contact him at eric.fredbeckri@yahoo.com to set up a time to meet.
- The Rotary Take Five program of activities are designed to acquaint you with the your new members and help you understand the Franklin Rotary Club. These are to be completed within your first year as a member. As you complete each activity, notify or email Tony Burton, Membership Chair at tony@burtonsflooringcenter.com.
