

# *Announcing New Corporate Membership for Greensburg Rotary Club!*

**When:** Effective immediately!

**What:** New option for joining the Greensburg Rotary Club.

**Why:** Times are changing. It is not always easy to get away from work for a weekly meeting. In the past the Greensburg Rotary Club was only open to individuals. The club has now expanded this to include corporate memberships. Many businesses are encouraging their employees to get involved in community service.

**How:** One specific person in the business is added as the key member. This person can designate one or two more persons affiliated with the business to attend meetings in their place. Note: two or all three can attend together – the business would be billed for the extra meals.

The Greensburg Rotary Club is one of 35,247 clubs world-wide. Rotary joins leaders from all continents, cultures and occupations to exchange ideas and take action for communities around the world.

Locally, the Greensburg Rotary club holds fundraisers such as its annual Euchre Tournament to support Special Olympics, The Kids' Closet, YMCA, Decatur Co. Community Foundation, AGAPE, Big Brothers/Big Sisters and more. The club also supports PolioPlus, Rotary International's ongoing effort to eradicate polio, and the Rotary Foundation.
