12:00 Shotgun start
5:00 Results, prizes and awards

District 6580 and District 6560 will meet for the second time for the Ryder Cup to benefit the Rotary Foundation.

The format is a modified Ryder Cup where a two-person team from District 6580 will play a two-person team from District 6560. Holes 1 through 9 will be played in an "alternating shot" format and holes 10 through 18 will be played in the "best ball" format. There will be a traveling trophy presented to the winning district.

You do not have to possess great golfing skills to participate, just a desire to have fun playing golf with fellow Rotarians. We will pair teams based on the combined team handicap so every attempt will be made to make the matches competitive. You can find a fellow Rotarian to be your partner or we will assign a partner to you.

The scoring will be match play with no carryovers. If the teams tie a hole the point is split.

Definitions:

Best Ball: Each player plays their own shot from tee to green and records their own score. Only the best score of the two players counts as the official score for the hole. For example:

1. Bill makes a 5
2. Sue makes a 4
3. The Best score of "4" is the team's score for the hole

Alternating Shot: Only one ball is played for each hole. Once one team member has teed off, the other team member hits the approach shot, and then they alternate shots until the ball is holed and the score is reported. Tee shots must be alternated.

Female golfers are encouraged to participate and will play from the women's tees. Female/male teams are permitted.

Each player will be encouraged to find a \$100 hole sponsor to help raise funds for the Rotary Foundation. If a sponsor is obtained that player's entry fee will be reduced to \$50. If a \$250 hole sponsor is obtained, both members of the team's green fees will be reduced to \$50.

Each player will be entered for a drawing for a Paul Harris Fellowship (1,000 Foundation recognition points will be transferred to the winner).

We are limiting the event to 36 players from each district so the first 36 paid players from District 6580 will represent the district. We will take and have alternates in case the originals cannot make it for some reason.

PLAYER REGISTRATION FORM

The entry fee is \$100, reduced to \$50 with a \$100 hole sponsorship and reduced to \$50 for each team member if a \$250 hole sponsor is obtained. We are asking that all funds be received by June 9. Part of your fees will be donated to the Rotary Foundation in your name. *All players must be Rotarians.*
