Support the Environment

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects.

Our mission

The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

What impact can one donation have?

For as little as 60 cents, a child can be protected from polio.

\$50 can provide clean water to help fight waterborne illness.

\$500 can launch an antibullying campaign and create a safe environment for children.
