THE ELYRIA BICYCLE EDUCATION CENTER WAS FORMED IN JUNE OF 2017 AND IS STAFFED ENTIRELY BY VOLUNTEERS. THE CENTER IS A 501(C)(3) NONPROFIT ORGANIZATION.

THEY ACCEPT DONATED BICYCLES AND MAKE THEM ROADWORTHY – SAFE AND MECHANICALLY SOUND. THEY SELL THEM BACK TO THE COMMUNITY FOR A REASONABLE PRICE, USUALLY FOR BETWEEN \$50 AND \$100.

Elyria Rotary Club makes the ride smoother

ELYRIA — Several Elyria Rotary Club members volunteered at the Elyria Bicycle Education Center on Thursday.

The members included Mark Moroz, Mark Mathes, Mark King, Bob Yun, Amanda Deery, Chris Pyanowski, Mike Jaworski and Club President Rob Ernst.

The bike center at 419 Middle Ave. is a volunteer-run, nonprofit bicycle co-op that fixes up bikes and gets them back into the community to be safely enjoyed.

Some of these “helpers” are avid bike riders, and their efforts to fix up several bikes made a difference at the Bike Center. Their efforts are part of the “Service above self” motto of Rotary clubs.

For more information about the club, go to elyriarotary.org.
