THE MARION ROTARY CLUB/FOUNDATION
Annual Community Grant Application Packet

TO: **Marion County 501(c)3 Charitable Organizations**

FROM: **Patti Garner, Marion Rotary Club/Foundation Secretary**

RE: **Annual Community Grant Request**

DATE: **September 30, 2022**

Please find a Grant Application along with an overview of the Grant Funding Priorities for the Marion Rotary Foundation. Any grant funds awarded as a result of this Grant Application must be utilized by June 30, 2023.

Requests for grants must be received by **October 31, 2022.** Please complete and submit the Grant Application, along with a copy of your organization's current budget and projected budget covering the timeframe of your request.

Several annual (one-time) grants, generally range from $500 to $2,500 each, will be awarded for the remainder of the current Rotary fiscal year (ending June 30, 2023). These grants may vary in the exact amount, but should not exceed $2,500.

Please note the priorities for funding and number your responses to match the question, as they are important. We hope you will work with us to meet the objectives of Rotary, and the important needs of the Marion community. We would also appreciate if you could provide a short press release for us to use in order to inform the public of our support of your organization, if you should be awarded a grant.

In addition, we request that you provide the name of a current member of the Marion Rotary Club as a reference on your application. Also, if you are awarded a grant, we would request that a representative from your organization appear at a Rotary Club meeting to accept a check and explain how you will utilize the funds.

If you submit an application, you will be notified of the result of your request.

Please call **740-360-5671** or email leslie@unitedwaynco.org if you should have any questions about this information.

Sincerely,

Leslie Schneider
Grant Committee Chair
