## This Week at Rotary

**MONDAY, November 1, 2021**

***At the Sinclair Community College for those who have reserved a spot. Also there is a ZOOM option for those who wish to attend virtually.***

***"Credit Card Processing 101: Understanding Current Concepts and Anticipating Future Trends"***

#### **Speaker: Natalie Dunlevey**

Rotarian Natalie Dunlevey is the President of National Processing Solutions. Natalie will explain to us how credit card processing works. What are the fees that we pay...what is the difference between them. How much control can merchants have on the fees and how to get the best deal. She will also review with us 2022 changes in PCI Compliance and Chargebacks.

Chair of the Day: Shaun Yu

## This Happened Last Monday...

Shaun Yu, President, called the meeting to order shortly after 12 noon. There were approximately 30 Rotarians in person and 21 on Zoom. Our deepest condolences to Rotarian John Neff on the passing of his mother last week.

Shaun shared photos of Dayton Rotarians  on the road  who accompanied a group of teens headed to Camp Kern for a RYLA event (Rotary Youth Leadership Awards). Many thanks to Sarah Hippensteel Hall for organizing the travel via RTA and chaperones.

Bill Nance gave the invocation, which focused on the many ways Rotarians support efforts around the world for people we will never meet yet care about deeply. Bill went on to lead us in the Four-Way Test,

followed by the Pledge of Allegiance. News of the Day included statistics on the number of polio vaccinations given in one day in 1980 (17 million administered to children). In the category of easiest crimes to solve, a robber was having a drink outside and across the street from the place he just robbed. Recognized by witnesses to the crime, he was arrested by the police.

Steve Naas subbed for Linda Groover as Club Secretary. A reminder to wear your Rotary pin on Mondays as several people had to pony up a dollar for not doing so today! Steve reminded all about the Coat Project. We are \$900 shy of maximizing a matching grant of \$3,000 from the district. Monday, November 1, is the extended deadline to contribute. There are three spots left for the Fall Fireside Chat at Kelly Lehman ♦'s home. A chance for cheese and conversation with some of your fellow Rotarians. The Queen of Hearts is back! In person and online participation starting next Monday.

A belated Happy Birthday and timely Happy Birthday to those celebrating last week and this week! They are: Frank Scott, Sue Taylor, Andrea Wall, David Bowman, Kenny Hannahan, Ty Swain, Randy Domigan, Rusty Clifford, Steve Geib, Rita Cyr, Greg Robinson, Ann Charles Watts, Brandon McClain, Lisa Holmes, and Jim Beerbower. Day-10s were generously given by the following: Frank Scott, \$100 toward polio eradication. Iris Juergens, \$100 in recognition of the Houston Astros. Steve Naas, \$100 in honor of Iris the superfan. Darlene (Langhout) Nelson, \$100 for her October 14<sup>th</sup> wedding. Greg Birkemeyer, \$100 in honor of his aunt who had polio. Rick Thie, \$100 in honor of Sharlet Briggs becoming a new member.

Rick Thie introduced Sharlet Briggs, President of Kettering Medical Center, who is a new member of Dayton Rotary!

Shaun aired a video from International Rotary President Shekhar Mehta devoted to World Polio Day.

Chair of the Day, Sue Taylor, introduced Dr. Phil Jenkins, who gave an interesting and moving presentation on Polio and Its Late Effects. He referenced *The Polio Paradox* by Richard Bruno. Dr. Jenkins discussed contracting polio at 13 months of age in Hamilton, Ohio, the effects on the body, and treatments over the years. He also explained the three types of polio, with Type I still not eradicated. There are many famous survivors of polio including President Franklin D. Roosevelt, Alan Alda, Donald Sutherland, Itzhak Perlman, Neil Young, Wilma Rudolph, and more.

Shaun announced that next week ♦'s speaker is Natalie Dunlevey from National Processing Solutions. This will be an opportunity to learn about how businesses can save on credit card processing fees.

The meeting was adjourned at 1:10 p.m.

## Annual Coat Drive for Students of Dayton Public Schools

We will once again be providing coats, hats and gloves for Dayton Public School children\* (as well as other necessary clothing items that are needed like uniform pants, shirts and undergarments). These children attend different schools throughout the district, and many are HOMELESS and living in shelters or are living in economically disadvantaged home situations. \*We will help as many kids as funds allow (last year we helped 150+! ) We thank Alisa Zink for serving as our coat drive chair again this year. #### How Can You Help?

We ask that you donate money to the coat fund, and we will do the shopping for you!! (Simply donate \$50 or whatever you feel comfortable giving, and we will purchase a coat, hat and gloves for a child - checks should be made payable to Dayton Rotary Foundation with Coat Project in the memo section.) Or you may donate online at our website ♦ under the member area ♦ member donation scroll down to designate for Coat Project.

We received a generous matching grant of \$3000 from the District 6670 Foundation to use for this project but we still need YOUR help to reach the match goal.

Since our weather is unpredictable and unseasonable, we would like to get the coats to the students by mid-November. Please turn in monetary donations no later than October 25th. The earlier we have the funds, the more time the committee will have to complete shopping and sorting!
