"An Update on the Housing Market in Dayton"

Eric Farrell is the C.E.O. of the Home Builders Association of Dayton. The Home Builders Association of Dayton represents the residential construction interests of more than 220 member organizations through Montgomery, Greene, Warren, Preble, and Darke counties. New home construction accounted for nearly \$850,000,000 in direct business and wage impact to the Dayton region in 2021 and tying job recruitment/retention strategies to the economic development strategies of the region is critical if Dayton is to support jobs, thus driving a better economy.

Chair of the Day: Adam Horseman

This Happened Last Monday...

The Dayton Rotary meeting of August 1, 2022 was called to order by President Walt Hibner at 12:08 p.m. He welcomed all Rotarians and guests in person and on Zoom, then recognized all the great events and activities that prevailed throughout Dayton this past weekend, including the Dayton Air Show, before introducing Bill Nance for the invocation, 4-way test and pledge to the flag. Bill reminded us in prayer to "look forward" in our lives. Cathy Gardner introduced Rotary guests. There were no visiting Rotarians.

Secretary Linda Groover took to the podium to remind us that there are 20 cards left in the deck and \$2700 in the pot. Birthdays this week included Jenny Lewis, Mike Rogers, Dick Hattershire, Iris Juergens and Robert Woodhull. Linda reminded us that our club is actively collecting back-to-school supplies "To fill the Bus!" See the link in the SMILE to donate.

Other announcements:

- The social committee is organizing a Rotary Dines Out at 5 p.m. on Saturday, August 13, at the Germanfest Picnic in St. Anne Hill. Please RSVP your attendance by August 8. The cost of dinner is on you, but your first beer is on Rotary!
- Please, if you have not already done so, be sure to complete your committee sign-up sheet and return it to Laura.
- Rotary on the Road is August 29. In lieu of a meeting at Sinclair, we have the opportunity to visit a Rotarian's place of business. Sign up quickly!! Requarth Lumber is already filled. Remaining options include The Modern College of Design, Budde Sheet Metal, and Five Rivers Health Center. There will be NO Zoom option that day.

Linda then opened the floor to Day-10's. Kelly Lehman was the first to pledge a birthday \$100, followed by Kim Pollard who pledged a Day \$100 for ProSpeed's Grand Opening Celebration, in partnership with Rebuilding Dayton Together, on 8/21. Fliers were on the table, and all are invited to attend. The multi-talented retired attorney Dave Williamson announced that he had received another DayTony Award, that he got 1 of 6 numbers right on his billion dollar lottery ticket and George Jetson's birthday is today. Last, Chuck Watts pledged \$100 in celebration of the UN General Assembly's unanimous vote to stipulate that climate survival is a human right. Check out Families4afuture.org to get involved.

President Walt returned to the podium to welcome "Kathy" (Kelly) Lehman up to introduce our newest member, Daniel Zehringer. Walt promptly pledged a Day-10 to compensate for his blunder ?? Kelly introduced Dan, the WSU School of Fine and Performing Arts Director, who was presented with a new member packet.

Next, Frank Scott took to the podium to share some Foundation facts. Our Dayton Rotary Foundation has about \$70,000 to give back to our local community this year!. The first foundation grant this year was to Steve Geib and Jamie Fischer with Agape for Youth. The funds will be used to support their program "Bridging Hope in Futures," for 14 plus youth to help eliminate homelessness.

Squeezing one more program into our busy Rotary meeting, Bill Nance interviewed Rotary member Joanna McCord, Sr. Loan Officer for Union Savings Bank for our vocational profile.

Today's speaker was introduced by Dave Williamson. Marty Foos is an attorney at law with Foos & Lentz and husband to Rotarian Annie Foos, speaking about "Avoiding Legal Troubles as a Board Member of a Non-Profit Organization." Emphasis on "Avoiding legal troubles!" Marty provided several fictitious and entertaining examples of a Board member's risk and responsibility when serving. These examples reminded us all:

- Confirm with the Secretary of State that your NFP actually exists
- Know your duties

- Beware of conflict of interests
- Know when to abstain from voting
- Know that your actions align with NFP goals/purpose.
- Be aware of the general assessment of “good people”
- Always complete your due diligence when acquiring assets or making commitments.

Before leaving the podium, Marty pulled a ticket for the Queen of Hearts, drawing the ticket belonging to newest member, Daniel Zehringer. Unfortunately, his pull of the 4 of clubs did not get him the pot. It is worth noting, however, that Daniel's ticket was a “free” ticket that he earned for sitting at a table that met all Dayton Rotarian expectations of members.

Next week's program will be by Eric Farrell with the Dayton Homebuilders Association. Our meeting adjourned at 1:15 pm.

Annual Back to School Supply Drive

Think about being asked to complete a writing assignment without having a pen or pencil. Many children in our community face this situation every day when they go to school!

ROTARY CLUB OF DAYTON
IS PARTNERING WITH

TO HOST A BACK-TO-SCHOOL SUPPLY DRIVE!

You
may
bring
your

donations of basic school supplies to the Dayton Rotary Office or to the Dayton Rotary Monday meetings July 7th- August 31st .

Or you can donate online directly to Crayons to Classrooms at the following link to our Dayton Rotary Page—we have a goal of raising \$2000.

[Stuff the Bus 2022 - Dayton Rotary \(onecause.com\)](https://onecause.com/Stuff-the-Bus-2022-Dayton-Rotary)

10 Most Requested Items

pencils	one subject notebooks
crayons	glue sticks
colored pencils	kids scissors
markers	pencil sharpeners
highlighters	dry erase markers

Items collected through this supply drive will be placed on the shelves of Crayons to Classrooms, Dayton's only teacher resource center—a "free store" for Dayton-area teachers to supply local classrooms in need. Teachers that qualify can visit Crayons to Classrooms, "shop" for supplies, and return them to their classrooms and students at no cost.

Your generosity will make it possible for our area children to go back to school with self-confidence and the supplies necessary to put their best foot forward!

Thanks for your participation!
