A Message from Your District Governor - January 2024

Happy New Year Rotarians!

Our Rotary year is now half over, time flies when you are having fun. January is "Vocation Service" month on the Rotary calendar. For those of you that have heard my talk at your Rotary club (36 completed, 9 to go), you know that in 1905, Paul Harris started Rotary. We began as a membership organization based on our vocation. We should never lose sight of our beginnings. Let us celebrate our vocations and how we can use them for service above self.

Clubs, Rotary International half-year dues are due, please pay promptly. Many events in the district are upcoming, so let us work hard to make them the best events possible. Upcoming events include:
*4-Way Test Speech Contest is March 10th at Wright State University
*All-Ohio President-elect Training Seminar (PETS) is March 15-16 in Columbus, OH
*Rotary Youth Leadership Awards (RYLA) is April 5-7th at Camp Kern
*District Day of Service "Sleep in Heavenly Peace (SHP) Bed Build is April 13th location TBD

Three of the above are focused on our youth, so important! I look forward to seeing many Rotarians at these events.

January is turning colder, so stay safe and stay warm!

Yours in Rotary,
Doug

Rotary International Introduces the 2024-2025 Annual Theme

Rotary International President-elect Stephanie Urchick announced the 2024-25 theme, The Magic of Rotary, at the International Assembly on 8 January. The assembly is Rotary's annual learning event for incoming governors and leaders. Urchick, a member of the Rotary Club of McMurray, Pennsylvania, USA, called on members to use the magic of Rotary to recognize and amplify the organization's power to save lives. She also called on them to make their Rotary clubs "simply irresistible."

Rotary Youth Exchange experiences loss

On October 13th, the District 6670 Rotary Youth Exchange (RYE) Team suffered the terrible loss of a prior RYE Student, Jordan Larson. Jordan, the daughter of D6670 RYE Inbound Coordinator Nikki Larson and her husband Lorne died unexpectedly from complications of Type-1 Diabetes. In an effort to honor Jordan's memory and the influence the RYE program had on her brief but beautiful life, a scholarship has been set up with the Greene County Community Foundation. The Scholarship will be used to help supplement costs for Outbound RYE students applying from District 6670. Contributions to the scholarship can be made online at www.greengiving.org. Please reference "Larson INK" or directly to the Greene County Community Foundation.

Interact Club of Monroe

Interact Club of Monroe

Last year the Monroe Interact Club collected donations of candy from throughout the community to send to troops overseas with the help of the Yellow Ribbon Project. They are proud to say that they managed to raise 226 pounds; more than double their previous record of 98 pounds! On top of this, the club worked closely with the Guatemala Literacy Project to translate documents from Spanish into English, and they put a combined 26.25 hours of work into translating 11 projects. They hope to continue working with both the Guatemala Literacy Project and the Yellow Ribbon Project in the future to continue making our world a better place!

Oakwood Spreads Christmas Cheer to First Responders

The City of Oakwood is one of only a few in the nation in which all first responders are cross trained - Police/Fire/Paramedic. The Rotary Club of Oakwood has provided Oakwood safety officers with a Christmas Day Spread delivered to the safety building in their town on Christmas Eve. Ten to Fifteen members prepare their favorite Christmas dishes as a small token of thanks for all that the safety department employees do for the community. Dorothy Lane Market also provided fruit baskets, a sandwich tray, bagels and brownies!
