Interact Clubs must recertify annually with Rotary International

Effective immediately, RI now requires the Interact Club ID number to be completed on the form.

Most clubs wouldn't have that at hand, but they can access it online. Once the Rotary club secretary logs in to the RI site.

<https://www.rotary.org/en> > My Rotary > Member Center > Rotary Club Central > Reports > Service > Listing of Club Sponsored Organizations

Interact is the second tab on the bottom, and there they will see the Interact club ID.

It is IMPORTANT that you provide the name/contact details for the Rotary advisor (not faculty advisor) when updating your club information.

If you are not able to find your Club ID or have other questions please contact Claudia Trusty at Interact@District6690.org for assistance.
