Please plan ahead for the following events and activities scheduled for your year as President or President elect, by month and Rotary year. Schedule your DG visit as soon as possible July - October. Rotary encourages a focus area each month of the year. Please schedule a meeting with emphasis on community projects in that theme area.

For Conferences and assemblies, please plan to register at least one month prior to the meeting. * All of club leadership should be encouraged to attend. Items in Yellow are deadlines for responsibilities of either the President or President Elect.

Additional activities for Assistant Governors. Quarterly visits individually scheduled.
