

Spectrum Article for February & March

Key Dates for the District Grant Process

February 15, 2024	Interim Reports due – only if there is a scope change within the project
May 31, 2024	Final Reports entered into DACdb for all district grant projects
June 30, 2024	Club MOU and addendum signed and submitted to the District
July 1, 2024	Club donations to the Annual Fund complete to qualify as STAR club
August 31, 2024	All district grant applications for 2024-2025 Rotary Year entered into DACdb

Clubs can never start too soon to plan for their district grant projects for next year. The district is projecting that more DDF funds will be available next year, so don't be shy about making an application for a second project.
