**WATER PROJECT AJABA COMMUNITY IN  
MAKURDI LOCAL GOVERNMENT AREA,  
BENUE STATE OF NIGERIA**

# Benue State, Nigeria

# Summary of Ajaba Community

- Population estimated to be over 5,000 people.
- Dire need of good, drinking water due to the lack of it during the 4-5 months of the dry season.
- Borehole and water filtration system will be located in the premises of a Catholic Church.

# Community Assessment Team

Rotarians Benjamin Gar, Herbert Pinne, Sandra Akaa with Rev. Fr. Solomon Ukeyima, at the Catholic Church in Ajaba Community.
