If you are a new exhibitor- welcome, when we receive your application you will be put on a Wait List in the order that we receive the apps (please do not send payment with your app. When we see we have a booth for you we let you know & will expect payment then.) The following is some helpful information about being a Commercial Exhibitor at our fair:

The buildings have concrete floors, AC, and both contain a large roll up door for easy set-up and take down. The booth contains pipe and drape to separate the space with the back wall being 8' in height. Adjacent booths can be rented to enlarge your overall booth size.

- **Electricity must be requested (120V Receptacles)**
- **Wi-Fi Access is available, but we do not guarantee this service**

Vendors Giving Items Away: If you want to giveaway items from your booth, MTFD has to approve the item first. MTFD reserves the right to refusal to allowing a vendor to giveaway an item. This is to be fair to our vendors that are selling items. No food or drink giveaways are allowed except individually wrapped candy.

Each company or person renting a booth will receive two weekly fair passes, plus one regular commercial parking pass. These can be picked up at the fair office.

- **Parking (Jackson Street Gate)**
 - **You are not guaranteed a parking spot just because you have a regular commercial parking pass.**
 - **ALL Parking Passes must be displayed on your automobile front window.**
