Stace Karge from the Crossville Housing Authority --New Beginnings program gave an inspirational program on both the New Beginnings program, and preconceived perceptions on people that impact our society today. New Beginnings is a self help program to assist families in building their own homes with help and assistance

from New Beginnings staff and subcontractors. Homes are 1400 sq ft with 3 bedrooms 2 baths and a 2 car garage and a typical family ends up having to make loan payments of \$500-\$600/month for their home after all adjustments. Participants put in a lot of effort to attain a good credit score and to save money to put into the home.

Having received a phone call from a neighbor to the recent development underway saying that people are moving out because of the “riff-raff” moving in Stacey challenged us all to help change the conversation with preconceived stereotypes. Her clients have good credit scores, solid savings plan, good jobs, and are committed to have a home for their family.

Frank Horvath gave an up-date on the Music & Memory Program that FG Rotary initiated in 2015 and the plan forward to expand program with M&M Certified facilities and expansion into more facilities using a clinical monitored and measured

approach

District Golf Tournament held at Heatherhurst on June 30

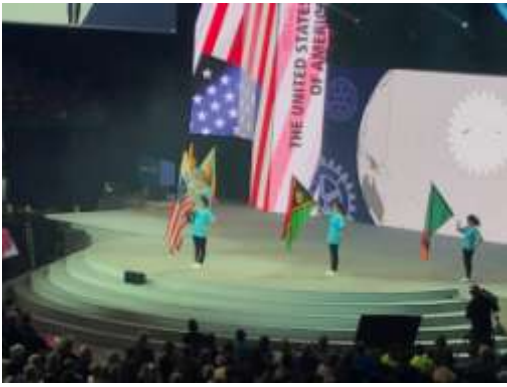

We were hosts for the event providing 25 volunteers headed up by Fred Summers. This year 23 teams (92 golfers) participated and \$7,500 was raised for Polio Plus.

A special shout out to Richard Garrett and his daughter who is a senior VP with Taylor Made Golf. They provided a sleeve of golf balls for every player, plus additional balls for prizes. Thanks also go to sponsors Dave Kirk Auto, Good Times Wine Spirits & Brew, Coca-Cola, for their contributions to make the tournament a success.
