With our attention focused on his subject he gave an informative program on frequency of and impact of falls. He also had a lot of ways to reduce the chance of falls and resulting medical and life threatening impact of falls. Ageing is a significant contributor to the likely hood of falls and resulting injuries.

Rotary Grace

We break the bread which comes from you, and thank you Lord for all things true. May we, more blessed than we deserve, live less for self and more to serve.
