Wilson Jackson arranged a back stage tour of tour of Cumberland County Playhouse. Before the tour Deb gave our donation to the Cumberland County Playhouse to Bryce McDonald. We had a great tour of the facility despite the fact that they were preparing for a show at 1 p.m. It is a small but talented and dedicated staff that prepare the sets, paint the backstops, and makes the customs for every play.

Besides producing the plays, the Playhouse runs an extensive education program in dance and drama for the children in the county schools. We are truly fortunate to have this facility in our backyard!

.Rotary Grace

We break the bread which comes from you, and thank you Lord for all things true. May we, more blessed than we deserve, live less for self and more to serve.
