

HOW TO PROPOSE SOMEONE FOR MEMBERSHIP

Every Rotarian has the privilege and obligation of seeking qualified members. In this way, all club members can help their clubs achieve a full representation of the business and professional life of the community. Use this form to propose a new member.

Standard Procedure:

The prospective member's name is submitted in writing by an active member (Sponsor), through the club Secretary, to the Board of Directors.

The Sponsor informs the prospective member of the privileges and responsibilities of club membership. He or she is then asked to complete the membership proposal form and give written permission to publish his or her name and proposed classification to the club membership.

The prospective member's name is published to the Club. If no written objections stating reasons for denial of membership are received within seven (7) days following the publication of the name, that person is a new Rotarian. Induction will take place if the new member is available at the next meeting following the 7-day review period.

If a written objection is filed, the board will vote to approve or disapprove the proposal.

The club Secretary sends a completed New Member Report form to Rotary International.
