SERVICE TO THE COMMUNITY & WORLD

OUR MEMBERSHIP

The members of the Rotary Club of Farragut are committed to serving the Farragut and Knoxville communities and filling international needs as well through service, hands-on work on projects, and financial support as we build fellowship in the club.

Our members come from a diverse set of backgrounds and occupations – banking, education, communications, law, retail business owners, health care and medicine, engineering, civic leadership, financial planning, construction, and insurance, to name a few.

Town of Farragut July 4 Parade

The Rotary Club of Farragut volunteers countless hours of service to improving the lives of those in our community. Below are some service highlights of the year for our club.

- **Flu Shot Saturday:** Facilitating the delivery of free flu shots annually to thousands in conjunction with the Knoxville News Sentinel
- **Wine Tasting:** Our club's major fall fundraiser that allows us to support the organizations and projects that need our financial backing
- **Ball Camp School:** Our Partner In Education "partner" that we support with new library books and other items as needed
- **Salvation Army:** We participate in its holiday project of "Bell Ringing" on two Saturdays in December
- **Angel Tree:** We support the Boys & Girls Club of East Tennessee through the Angel Tree program as our members donate Christmas gifts for the children and families the club supports
- **Road Cleanup:** Our club "adopts" one mile of Campbell Station Road for two annual trash collection and beautification work days
- **Stream Cleanup:** We work twice a year to clean a section of Turkey Creek in our community in conjunction with the town of Farragut staff
- **Bridge Refugee Services:** Through a Rotary grant, we provided funds to train refugees in the community how to drive and child restraint car seats for the children of the refugees
