Hon Board Directors,
Rotary Club.
Gentlemen :-

I want you
to guarantee me a certain
number of plates each week
in order that I will know
how many to prepare.
I will agree to give you
a much better lunch than
you are at present getting.
Then if lunch is not up
to standard & much improved
you are at liberty to cancel.
Bear in mind that this is only
town I know of that put
out 50 Cent Plate Lunch. By
guaranteeing me I guarantee you
a much better menu. Yrs Jim.
