Welcome. Effective July 1, the Club Board approved moving to a Rotary District standard DACdb-supported Website. Transition to the Rotary District standard will occur during the month of July followed by full implementation on August 1. Here is our schedule.

July 1	Launch Trial Website
July 10	Present Trial Website to the Club Information Committee with request to proceed to the Board
July 17	Present the Information Committee-approved Trial Website to the Club Board of Directors for Board Approval
July 17-30	Update the Trial Website to include any Board-approved input
July 31	Complete Transition Period
August 1	Launch new Website

With input from the locally-supported website Webmaster-Bill Stone, the Information Committee and the 2014-15 Board approved moving to the Rotary District 6780 standard in May 2015.

Under Bill Stone's leadership, the locally-supported website has served our Club well for more than a decade. In 2003 the Website was awarded the Rotary District 6780 "Best Internet Web Site-Large Club."

As the Club transitions to the District standard, we look back with pride and appreciation for the many contributions made by Bill Stone and his committee and look forward to the successful implementation of a new Tullahoma Noon Rotary website.

In Service To Rotary and Tullahoma

JOHN NAUSEEF
 Club President
 Rotary Year 2015-16
