

Calling all Rotarians!

To run smoothly and make a positive impact in our community and world, we need Rotarians involved in many ways. Please review the many areas of our club listed on both sides of this sheet where we need volunteers and let us know where you would like to get involved. Please fill this sheet out even if you are already volunteering to let us know you would like to continue.

CHECK	AREA OF SERVICE
_____	<p>I am interested in serving on the Rotary Club of Decatur Foundation board. Our club Foundation is responsible for collecting and distributing money raised for service projects. Service on this board requires only a couple of meetings per year to annually review by-laws and financials, track collections and distributions, and ensure an annual audit is performed.</p>
_____	<p>I am willing to donate my time to perform professional services. Occasionally we need special skills such as legal skills to review by-laws, accounting skills to perform audits of our books, etc. These areas of service don't typically require ongoing time commitments and are needed for annual or as needed projects. Please let us know how you would like to contribute your skills:</p> <p>Legal Accounting Reports/Clerical support Other:</p>
_____	<p>I want to serve on the Awards Committee: Members who have been Rotarians for at least three years and have a good understanding of the club and know many members, serve on this committee to annually nominate and/or select Club Members to be recognized with local, district, or international awards. This committee only meets a few times per year and is not a major time commitment.</p>
_____	<p>I want to help promote Rotary International Foundation understanding and contributions: The purpose of this committee is to encourage active participation in Foundation programs, encourage financial support of the Foundation, and publicize the work of the Foundation to club members. This includes general fund and polio plus fund support and activities. Time commitment is minimal.</p>
_____	<p>I want to help plan and carry out International Service projects: The purpose of this committee is to plan and participate in international community service projects and communicate these projects to the club and community. Time commitment on this committee is minimal unless a major international project is identified.</p>
_____	<p>I want to help at Club Meetings: The purpose of this service area is to make meetings go smoothly from the welcome desk and registration, to guest management, to providing a fun meeting environment with music and door prizes, to finding volunteers to lead our invocation, announce visitors and guests, etc. This is a weekly time commitment.</p>
_____	<p>I want to help plan and coordinate activities for Fellowship Events: The purpose of this service area is to build relationships and fellowship between club members through social events and personal notes to members. This committee meets as needed to plan events.</p>
_____	<p>I want to help attract new members and introduce them to the club: This committee meets monthly and works to identify and recruit new members to the club and actively get new members engaged in club activities.</p>

CHECK	AREA OF SERVICE
_____	<p>I want to help share information about Rotary International with existing club members, prospective members, and new members, and help new members get involved in club activities. This committee is limited to past presidents and meets monthly, typically before Club Meetings, to orient new club members.</p>
_____	<p>I want to help find great speakers and programs for club meetings. This committee meets monthly to identify and plan upcoming club programs.</p>
_____	<p>I want to help plan and coordinate fundraising events, such as an Annual raffle, Valentine Banquet, or other events in an effort to raise funding for the club. This committee only meets when actively planning these once a year events.</p>
_____	<p>I want to help plan and/or support local community service projects. Some of our club community service projects include our annual grants that go to local non-profits, the Mosaic Childrens Christmas Program, and ringing the bell for Salvation Army at Christmas.</p>
_____	<p>I want to help share news with club members and our community by helping with the website, social media, newsletter, photography, and/or media relations. A lot of hands are needed to ensure these activities get done on a weekly and monthly basis.</p>
_____	<p>I want to work with high school youth in our community through the Interact Clubs and Rotary Youth Leadership Awards. This requires communication with the two Interact clubs throughout the school year. Participation requirements can vary according to how much you want to be involved.</p>
_____	<p>I want to help recognize youth in our community with awards. Our club gives out four scholarships per year to high school students and recognizes one special needs child from each middle and high school in Decatur City Schools at a quarterly club program.</p>
_____	<p>I am interested in learning more about serving at the District Level on a committee. This does not require any past service at the club level and is great for meeting and working with other Rotarians around north Alabama.</p>

YES! I've checked where I want to be involved! Here's how you can contact me:

Name: _____

Phone: _____ Email: _____

Comments:

PLEASE PROVIDE COMPLETED FORM TO THE CLUB PRESIDENT VIA EMAIL OR DURING CLUB MEETING
