**Four Way Test of the Things We Think Say or Do**

Is it the truth?  
Is it fair to all concerned?  
Will it build goodwill and better friendships?  
Will it be beneficial to all concerned?

On May 1, Hoover Rotary Club presented scholarships totalling \$5,000 to three graduating seniors from Spain Park High School and three from Hoover High School. Also attending the event were several parents, Larry Giangrosso Spain Park Principal, and John Montgomery Principal of Hoover High School. Brandon Horton and other members of the Hoover Rotary Club interviewed the applicants from Spain Park and Terry Turner led the Rotary team interviewing the applicants from Hoover High School. These scholarships were funded through the annual fall raffle benefiting the Hoover Rotary Club Foundation. In introductory remarks Larry Sparks, Hoover Rotary Club Foundation Chair, stated that Hoover Rotary has awarded over \$260,000 in scholarships since the beginning of the scholarship program.
