

CWWSL

Service. Diversity. Empowerment.

Chattahoochee Valley Women's Service League

2018 ACCOUNTABILITY REPORT

VALUES: The core values of the CWWSL are *service, diversity, and empowerment*. These values are the foundation of our organization, our mission and our vision.

MISSION: The mission of the CWWSL is to *promote voluntarism* and develop the potential of women while improving our community through *effective service and advocacy*.

VISION: Our vision is to be an organization of women at the forefront of social inclusion and service, identifying problems and providing solutions for *lasting community change*.

"Wherever you go bags"- these bags provided essential needs for children in the immediate care of Chambers County DHR. We assembled care bags for infants to adolescents.

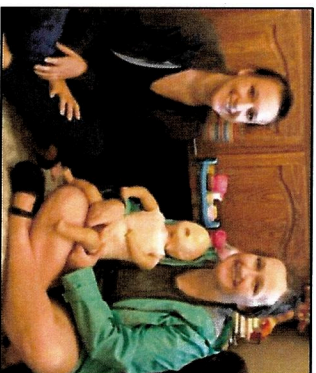

"Hygiene packs"- these care packs were filled with personal hygiene items that school nurses, counselors and teachers identified as needs within their schools in the Chambers County and Lanett City School systems.

The CWWSL has agreed to partner with the City of Valley and the Junior Variety Club to begin a park improvement project in Langdale.

ADVOCACY

Members of the CWWSL attended a CPR training class provided by a current member and certified AHA trainer.

Our members are thoroughly integrated into our community serving in many local civic clubs and speaking on our behalf at public engagements and with local media outlets.

FUTURE

In November 2018, the CWWSL officially began the affiliation process with the Association of Junior Leagues International. The CWWSL will benefit from targeted leadership training provided by the AJLI and will be under the guidance and direction of corporate leadership. The process of becoming an official Junior League is expected to be completed by the end of 2020.
