

## Rotary Club Completes Christmas Project

The Rotary Club of LaFayette recently presented Christmas gift bags to 120 residents of LaFayette Nursing Home and LaFayette Extended Care/Rehabilitation. The Christmas project was headed by Rotarian, Brenda Ryan Carter. This Christmas project has been completed for the second year. The Christmas gift bags have brought "happiness and cheer" to each resident and the club is so proud to give back to these elder residents of LaFayette.
