

WHAT IS A RAG? ROTARY ACTION GROUP

Rotary Action Groups are independent, Rotary-affiliated groups made up of people from around the world who are experts in a particular field, such as economic development, peace, addiction prevention, the environment, or water.

Action groups offer their technical expertise and support to help clubs plan and implement projects to increase our impact, one of Rotary's strategic priorities. This support includes helping clubs find partners, funding, and other resources. Action groups can also help clubs and districts prepare grant applications, conduct community assessments, and develop plans to monitor and evaluate their projects. Anyone who wants to share their expertise to make a positive difference can join an action group. Only Rotarians, Rotaractors, and Rotary Peace Fellows can serve in leadership roles.

Contact or join a Rotary Action Group to:

- Get expert advice on planning and implementing service projects, including those funded by Rotary Foundation district and global grants
- Connect with potential project partners, both within and outside of Rotary
- Get help fundraising and obtaining resources for projects
