

MINUTARIAN from DG MARK

For meetings the Week of August 24, 2020

In my Installation address, I talked about having Rotary 2020 Vision. It is when clubs take part in a membership program, have a strategic planning meeting, support our awesome charity navigator 4 star rated Foundation, and work at continuing our quest to eliminate polio.

Rotary 2020 Vision involves achieving our goals by making them part of a plan. With a plan, we get a clear vision of not only who we are, and what we are doing, but where we are going, and how we are going to get there.

Our Rotary 2020 vision is built on the basic Rotary values of Fellowship, Integrity, Diversity, Service, and Leadership. This is who we are and these values will guide us in what we do.

I urge each club to have a plan. What are your goals? How will you achieve them? What will your club look like in 5 years? What impact can you make in your community and around the world? What is your Rotary Vision for 2020 and beyond?

Please reach out to me or your AG for guidance or with any questions you have.

Yours in Rotary – DG Mark
