

July 25th Imaginarian

The More We Know, The More We Grow

As July comes to a close, and our new Leadership Teams have assumed their responsibilities, we are all looking forward to the many Rotary adventures that lie before us. Most of our Clubs have already outlined their goals for the year and have put plans in place to achieve them. We thought you might like to **know** some of the exciting events that are coming up in our District.

Did you know? – this weekend the Rotarians from **Lake Placid Rotary Club** will spend 3 days cooking up hamburgers and chicken sandwiches at the 31st Annual Caladium Festival? The Festival runs from Friday July 29th through Sunday July 31st so they could use lots of help. It's a great way to help support our District Rotary Clubs, make new friends, have lots of FUN and learn about growing Caladiums. If you stop by on Saturday, you just might see your District Governor flipping burgers. Contact President Michelle Dannels if you are interested in helping out!

Did you know?-- **Rotary Means Business!** What better way to start the year than with a Networking Mixer? Join friends from the Rotary Club of St. Petersburg and the Rotary Club of Tampa as they host a joint Rotary Means Business Event. Great opportunity to talk business, networking, and more. If you benefit from new connections (and who doesn't?), mark your calendar now and let them know you will

be there for their Rotary Networking Mixer on Wednesday, August 10 from 6 - 8 p.m. at Cooper's Hawk Winery & Restaurant, 4110 W Boy Scout Blvd, Tampa, FL 33607.

Did you know? Our own cycle Powerhouse PDG Nick Hall is on the last leg of his **Pedal Power to End Polio!** He has run into dead ends, hot weather, cold weather, rainy weather, and he even 'weathered' a bout with COVID, but none of this has deterred him from completing his amazing journey. So far Nick has raised \$15,200 towards his \$50,000 goal.

You can donate by clicking here: <https://bit.ly/3aR1k6G> or on his Facebook page at Pedal Power to End Polio and help him reach his goal. 100% of the money will be donated to Polio Plus. Nick's Facebook posts include amazing pictures and daily details of his incredible adventure. He would love to hear from you as his journey is coming to an end! Go Nick Go!

We know there are a lot more events planned in our District, so let us help you **grow** your event.

Please let us **know** what you have planned. **The More We Know, The More We Grow!**

On behalf of Your District 6890 Leadership Team,
We Are Yours in Rotary Service,
