

## November 6, 2022 Imaginarian

Rotarians place a spotlight this month on *The Rotary Foundation* - - whether at the local, district, or international level, The Rotary Foundation provides the financial support structure from which so many of our Rotary initiatives emanate. Whatever Area of Focus you are interested in, you can create or find projects that The Rotary Foundation can help fund. When we give, we are investing and adding strength to the bedrock upon which our work rests.

Imagine the possibilities we can achieve by working together through our Rotary Foundation giving. Thank you for your support!
