

October 3, 2022 Imaginarian

The devastation of Hurricane Ian is overwhelming. The gut wrenching reports from our fellow Rotarians and the footage that we see in various media sources reminds us that it will take many hands to recover, repair, and rebuild. Two of our four District 6890 counties – Hardee and Hillsborough – were declared major disaster areas, which make them eligible for federal funding. But there are needs everywhere in Ian's path.

I know that many of you are responding, both to personal circumstances as well as to those in your community. We at the District want each of you to know that we have a Disaster Response Committee available should you need assistance. If you find you require tarps, generators, or other help, please reach out to Kevin Kitto from the Winter Haven Rotary Club who is our District Disaster Response Chair. Here is Kevin's contact information: Cell/Text: 863-207-7770 and Email kevin@gokitto.com

May you be safe and well and finding strength in the days and weeks ahead. There is much to do.

And, as a reminder, I am re-posting our list of upcoming events.
