**BELIEVE
THERE IS
GOOD IN
THE WORLD**

Happy 2022 everyone!

Let's start the new year with a campaign to have more members sign up for Rotary Direct! Go to:
<https://my.rotary.org/en/rotary-direct>

You can choose where you want your money to go: polio fund, annual fund, world fund, or disaster relief fund. *** Remember though, that Designated District Funds (DDF) are only from the Annual Fund. ***

You can also select the amount and frequency you are comfortable with for your giving. It is easy to get started! Can your club get 100% member participation? Let me know!

Just as an fyi...The other Districts in Florida are giving at a rate of \$160 per member per year. We are currently at \$65.36. With some effort we could catch up, and who knows, maybe even take the lead! It is a goal worthy of our efforts!

Please remind your members that it is not about the money, it's about what the money does. Here are some examples of domestic and international programs:

- Improve living conditions for needy families
- Increase food production and fresh water programs
- Allay the suffering of the sick and disabled by providing immunization and medical treatments
- Provide new channels for the flow of international understanding, and brighter hopes for peace through the many educational programs

If you want to know where your club stands please email me at: markscolnickdistrict6890@gmail.com
