

May 15, 2023 Imaginarian Interact Making a Difference

Last week, the **District Leadership Team** was able to visit with 2 of our 8 **High School Interact Clubs** who were recipients of both **District and Zone Interact Awards**. What a wonderful opportunity to celebrate these amazing students, along with their faculty advisors, for their commitment to their schools, community and the world.

In addition to developing leadership skills, they worked alongside their sponsoring **Rotary Clubs** to exemplify **Service above Self**. Our District recognized the graduating seniors with a **Shining Star Award** and hope they will continue their **Rotary** journey in the future. **A big thank you** to all the **faculty advisors** and our **District Interact Chair, Al Dotson**, for giving of your time to provide the **Interact** opportunity for these students so they too can **“make a difference”** in the world.
