SERVICE ABOVE SELF

About Rotary

Rotary is a worldwide organization of business and professional leaders. Approximately 1.2 million Rotarians belong to more than 35,000 Rotary clubs located in 166 countries.

Rotary club membership represents a cross-section of the community's business and professional men and women, the main objective of Rotary is service - in the community, in the workplace, and throughout the world. Rotary has provided an army of volunteers to promote and assist at national immunization days in polio-endemic countries around the world.

The Rotary Foundation of Rotary International is a not-for-profit corporation that promotes world understanding through international humanitarian service programs and educational and cultural exchanges. It is supported solely by voluntary contributions from Rotarians and others who share its vision of a better world. Since 1947, the Foundation has spent \$3Billion on life changing, sustainable projects. With your help, we can make lives better in your community and around the world.
