Rotary Compare

Is Your Club and Leadership Information Correct?

Rotary Compare is a feature in DACdb that permits comparison of information stored in DACdb with information stored at RI.

Information can be usually be transmitted to RI from DACdb and from DACdb to RI

Rotary Compare

Is Your Club and Leadership Information Correct?

Compare is *Available* for:

- ❖ Club Membership – Be certain you are being billed for the correct number of Rotarians and that RI has correct information on your members.
- ❖ Club Leadership – Be certain that your leadership has correct DACdb and RI privileges
- ❖ Club Information – Be certain that your club meeting time and place are correct – very important for visitors
