October is Economic & Community Development Month

The first quarter of the rotary year has ended! We now look ahead at October with Rotary’s Theme of Economic & Community Development. Our programs this month explores how a small cottage business grew into a \$2 million operation as well as we look at an international business that plants trees and provides opportunities not only to improve the environment but also to provide education and training for farm families, improved nutrition with the emphasis on Reforestation. Join us under the Rotary Tent at Oktoberfest October 8. Then on *October 27, We will visit TATE DEPOT a new community development education program. Join us to tour & dinner afterwards.*

During October’s World Polio Week, Rotarians from Big Canoe & Jasper will host a joint program about **POLIO AWARENESS on October 19** with a fundraiser at The Lodge at Old Mill. Invite your friends for a fun evening with a Wine & Charcuterie table for an evening of social and fellowship while supporting the Eradication of POLIO – We are so close -only 2 countries remain: Afghanistan and Pakistan.....and learn more about recent outbreaks in the USA.
