## September is Youth Service Month

As we turn the calendar to September, we hope our children and grandchildren will have a great year of learning at school. Rotarians have long focused on life-long learning and our club has several opportunities to support education, sponsor local and international GRSP scholarships, sponsor GED classes as well as ESL programs in our local counties. As a child, I remember starting each school day with the pledge of allegiance to the Flag of the United States of America. I'm excited to share that our district grant FLAG project was approved...we will donate and install an American flagpole at the Wildcat recreation park. When students "hop on and off" the school bus they will see the American flag - I hope this become a vivid memory throughout their lives - as "citizens of the world", we do pledge our allegiance to our country. Big Canoe Rotary takes pride in supporting Basic Education and Literacy for our youth -

*Imagine Big Canoe Rotary Possibilities!*
