July is Transition Month

Each month since I joined Rotary, I have always enjoyed reading the Rotary Magazine. Back then, my club was doing some amazing projects and supporting programs, doing business and growing friendships. I was a member of this amazing international organization and realized there were many hardworking "citizens of the world" everywhere doing projects and programs for the better good of our world....Attending international conventions, participating with international service projects and fellowships, my life of service became very rewarding. "Rotary takes ordinary men and women and gives them extraordinary opportunities to do more with their lives than they ever dreamed possible". I'm excited to see how these SEVEN Areas of focus are accomplished by Big Canoe Rotarians! Let's Imagine!
