### **Making friends while... making a difference**

Chartered in June 1994, the Rotary Club of Buford/North Gwinnett fosters fellowship among its members while working to make a difference in the local and worldwide communities. The Club serves Buford, Sugar Hill, Suwanee, and northern Gwinnett County.

Part of a community-service organization that is more than 100 years old, the Buford/NG Rotary Club hosts weekly meetings to help foster camaraderie among members, community involvement, and professional growth. Each week, an engaging, informative speaker addresses the group.

A sense of fellowship extends beyond Rotary's weekly meetings and is a mainstay of all community service.
