WHO WE ARE

Rotary

PEOPLE of ACTION

- Rotary is a global network of 1.4 million neighbors, friends, leaders, opportunity-creators and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.
- Solving real problems takes real commitment and vision. For 120 years, Rotary's people of action “Rotarians” have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST:** The development of acquaintance as an opportunity for service;
- **SECOND:** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD:** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

OUR MISSION & VISION

Our Mission: We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

5 AVENUES OF SERVICE

1. **Club Service** focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
2. **Vocational Service** calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in [An Introduction to Vocational Service](#) and the [Code of Conduct](#).
3. **Community Service** encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in [Communities in Action: A Guide to Effective Projects](#) and this [Community Service presentation \(PPT\)](#).
4. **International Service** exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
5. **Youth Service** recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, EarlyAct, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

7 AREAS OF FOCUS

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 46,000+ clubs work together in:

HISTORY

- Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on February 23, 1905 so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships.
- Over time, Rotary's reach and vision gradually extended to humanitarian service. Members have a long track record of addressing challenges in their communities and around the world.

GLOBAL POLIO ERADICATION INITIATIVE

- Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.
- As a founding partner of the Global Polio Eradication Initiative, we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.
- Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.
- Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.

- In 1988 there were over 350,000 case of polio per year.
- In 2025 there have been 12 cases reported.

OUR STANDARD OF EXCELLENCE

- The Four-Way Test of the things we think, say or do is a test used by Rotarians world-wide as a moral code for personal and business relationships.
- The test can be applied to almost any aspect of life.
- The test was scripted by Herbert J. Taylor, an American from Chicago.
- It was later adopted by Rotary International, the global federation of Rotary service clubs.
