

**ROTARY CLUB OF CANTON**  
**CORPORATE MEMBERSHIP**

The Rotary Club of Canton Corporate Membership allows a business or organization to belong to Cherokee County's oldest and most active civic organization. Chartered in May, 1937 and built on Rotary International's motto "Service Above Self," the Rotary Club of Canton has a well-earned reputation as the place to meet and interact with the community's "movers and shakers" on a weekly basis, as well as to participate in international and community service to "Do Good in the World."

A Canton Rotary Club Corporate Membership is perfect for a business or organization leader who wants to be a part of our community's preeminent service club but whose busy schedule would not allow him or her to attend weekly club meetings on a regular basis. The Corporate Membership pays the same quarterly club dues as an individual member. However, it allows up to three (3) upper-level employees -- the Corporate Executive Designee and two (2) Additional Corporate Designees -- to be members of the club. The Corporate Membership provides for one (1) prepaid meal per weekly club meeting; if one (1) or both of the Additional Corporate Designees attends a meeting, the Corporate Member will be billed for the additional meals.

The Corporate Member also is strongly encouraged to make timely contributions as invoiced on behalf of each of the three (3) Corporate Designees of \$100.00 to The Rotary Foundation Annual Programs Fund and \$100.00 to the Georgia Rotary Student Program (GRSP) Endowment Fund, just as Individual Members of the Rotary Club of Canton do.
